	On order of the Court, the motion for immediate consideration is GRANTED. The application for leave to appeal prior to decision by the Court of Appeals is treated as an application for leave to appeal the September 7, 2016 order of the Court of Appeals. The application for leave to appeal is considered, and it is DENIED, because we are not persuaded that the questions presented should be reviewed by this Court. The motion for consolidation is DENIED.
